

Sono serbatoi costruiti con le più moderne tecnologie per garantire la massima affidabilità e durata nel tempo, oltre che un aspetto esteriore perfettamente integrabile sui moderni trattori stradali. La gamma di accessori rende il loro impiego particolarmente flessibile. **La piastra cieca è fornita di serie.**

Based on the latest technology, these steel tanks are produced to ensure maximum reliability and longer lifetime as well as an exterior aspect that can be perfectly integrated. High versatility is granted by a wide choice of available accessories.
The blank flange is provided included in the standard equipment.

Serbatoio laterale completo di kit
Side tank + kit assembly

Serbatoio retro-cabina completo di kit
Rear cab tank + kit assembly
