

Sono serbatoi in alluminio costruiti con le più moderne tecnologie per garantire la massima affidabilità e durata nel tempo, oltre che un aspetto esteriore perfettamente integrabile sui moderni trattori stradali. La gamma di accessori rende il loro impiego particolarmente flessibile. **La piastra cieca è fornita di serie.**

Based on the latest technology, these aluminium tanks are produced to ensure maximum reliability and longer lifetime as well as an exterior aspect that can be perfectly integrated. High versatility is granted by a wide choice of available accessories. **The blank flange is provided included in the standard equipment.**
