

Technical drawing of the M12x1.25 cable bracket. The drawing shows the bracket in two views: a side view and a front view. The side view shows the bracket with a T-shaped handle and a cable clamp. The front view shows the bracket with a cable clamp and a cable. The dimensions are as follows:

- Side view:
 - Handle length: 55
 - Bracket length: 61
 - Bracket width: 55
 - Bracket diameter: $\varnothing 10$
 - Bracket thread: M12x1.25
- Front view:
 - Bracket length: 120
 - Bracket width: 35
 - Bracket diameter: $\varnothing 10$
 - Bracket thread: M14x1.5

The drawing also includes the following text:

- A corsa aperta (Min. extension)
- Max. extension
