## MULTI-BOX

The MULTIBOX is the new heavy duty yet compact step-up gearbox designed for agricultural and forestry applications as well as suitable also for use on industrial truck. The all-in-one piece aluminum casing is designed to allow the mounting in any positions and gives at the same time high mechanical strength and efficient heat dissipation.

The high power available together with the several combinations of input and output options, various internal ratio allow to realize the most varied applications with extreme simplicity.

### Input

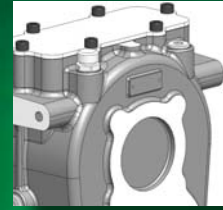

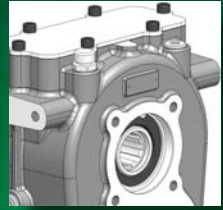

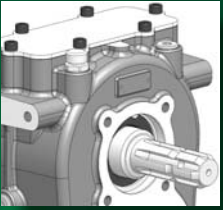

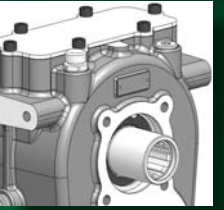

ISO FEMALE	ASAE MALE	ASAE FEMALE	ASAE FEMALE (with quick release coupling)
			

Oil seal shield

Mounting supports

Aluminum single-piece casing

Rear output through.  
Available with 4 options.

BLANK	ISO FEMALE	ASAE MALE	ASAE FEMALE
			

Breather cap

\* Optional ports either for forced lubrication or breather cap

High temperature oil seal

ISO FEMALE	ASAE MALE	ASAE FEMALE
		

Multiplied rear output

BLANK	ISO FEMALE
	

Multiplied front output
