HYDRAULIC COMPONENTS®

A large cylindrical display with a purple and black background. It features a large image of a hydraulic pump and other components. The OMFB logo is visible at the bottom of the cylinder.

A circular table with a white top and a blue base. The base features the OMFB logo and the text "New" in yellow. On the table are several hydraulic components, including a blue reservoir, a white reservoir, and a black bracket.

Two people, a man and a woman, are standing near a bar area in the background, engaged in conversation.

A bar area with white high-top stools and a round table with white chairs. The background shows a clean, modern exhibition space.
