

GEAR PUMP KIPP SERIES

BEFORE

AFTER

Dear Customer,
we are glad to inform you that in order to allow a better efficiency of production process, starting from **August 2021** the front cover of KIPP gear pumps series will change from aluminium to cast iron.

Ordering codes as well as overall dimensions and performances will be the same as before.

Pump series	Part number	IN	OUT	Weight
	Rotation: left	ISO 228	ISO 228	Kg
KIPP 16	10500350166	G 3/4	G 1/2	4,4
KIPP 20	10500350200			4,7
