

PTO for ZF, MERCEDES and VOLVO gearboxes

We are glad to inform you that a new TWIN-POWER PTO for ZF, MERCEDES and VOLVO gearboxes is now available among our products.

Main Features:

- Rear PTO with double output to allow the mounting of 2 ISO pumps (Z8 32x36 quill shaft)
- internal ratio 1:1.27
- torque rating 450 Nm
- centred pneumatic engagement
- suitable for optional switch 31100100189

Part number for purchase orders is:

010-039-02172: Pneumatic engagement PTO "TWIN-POWER" R1.27 450Nm helic.

010-039-02172 PTO is similar to 010-039-02175 but with a lower ratio.

PTO code	Ratio	Version	PTO ratio@1000 eng.rpm rpm	Max torque on single output	Rotation	Weight Kg
10-36-2175	1:1,56	217	See index	380 Nm	See index	16
10-39-2172	1:1,27	217		450 Nm		17

This PTO can be mounted also on ZF AS-TRONIC using the new adaptor **097-039-10018** ZF ASTRONIC+INTARDER.
